

Dear Patients,

The government are hosting an international AI summit at Bletchley Park from 29th October to 2nd November.

As a number of VIP's will be attending, the Council are closing most of Sherwood Drive on those days, and access to Challenge House and Joint Solutions will be affected.

1 Latest information is that no-one will be able to arrive from the Bletchley Station end of the road, which will be closed. To get to us, you'll need to enter Sherwood Drive from Whalley Drive - this road should be open, and can be accessed either from Rickley Lane or from Whaddon Way.

2 We are also told that because of restrictions, traffic is likely to be heavier and you may therefore need to allow extra time to get to us.

A map showing the Whalley Drive access route can be seen below. Apologies for any disruption, and thank you all for bearing with us during this event.

The Joint Solutions team 😊
